What is Project 29?

It is a cooperation among God's people, who value the power of prayer as the essential force in the global strategy to fulfill the great commission. Team Expansion seeks 29 churches, classes, groups, families or individuals who will pioneer this worthy cause, and commit to giving \$24,000 toward the establishment of the Prayer Center at Emerald Hills.

What does my investment accomplish?

-  It will help build our 10,000 sq. ft. prayer center
-  Provide temporary office space in phase one.
-  Establish a prayer Gazebo along prayer trails in honor of your church.
-  Purchase a hand help computer (PDA) to assist in specialized areas of prayer during prayer walks.

What do others have to say?

"We love this concept. It gives our church a permanent billboard to all those visiting Emerald Hills. It also makes it clear that we believe prayer should be a commitment of the entire church community . . . and exposes our people to missions on an ongoing basis without leaving the country."

-Dwayne Rice, Louisville, KY

Project 29

How can I fund a Prayer Pavilion?

1. Mission Trip: Recruit 24 people to raise \$1000 each and come to Emerald Hills to build your church's prayer shelter.
2. Budget Plan: Designate \$700 a month for three years, or \$450 a month for five years.
3. One-Time Gift: Give \$24,000 as an immediate one-time gift, by praying, planning, and expecting to see God move in mighty ways!
